Speakers

Bethany Card, Deputy Commissioner of MassDEP, will deliver the keynote address. Christine Millhouse, President of MWWA, will be the Master of Ceremonies. Yvette DePeiza, Director of the MassDEP Drinking Water Program, will deliver comments. Stephen Ryan, Executive Director of NEWWA, will deliver closing remarks.

Photo Slide Show

The organizers of this year's event would like to acknowledge the hard work of Massachusetts public water systems by presenting a photo slide show at the awards ceremony. If possible, we would like you to send us a digital photograph of your water system staff. We realize that for large water systems it may be difficult to coordinate a group shot, and for very small systems, there may only be one or two people actually involved in running the system. Maybe you will consider an action shot of some of your staff on the job.

This is strictly voluntary - so if you decide to participate just do the best you can. Only digital photos can be accepted and please do not submit more than 3 photos per public water system. Outdoor photos are preferred (e.g., in front of the water storage tank, reservoir, wellhouse, office building etc.).

The digital photos can be sent to Dan Laprade at dlaprade@masswaterworks.org or call 978-263-1388. The photos **must be received no later than the close of business on Monday, May 1st.**
